

Do you shop at Drakes Supermarkets?

For every \$2 you spend, SA Cat Rescue will receive 1c into our fund through Drakes' Community Dollars Program! All it takes is a swipe of this card each time you shop.

It doesn't sound like much, does it? But - if 100 people spend just \$20 a week, that's \$1,000 SA Cat Rescue could receive each year. That works out to be a lot of cat food!

This wonderful initiative runs at no cost to you. The more people using tags and cards, the more is raised.

There's no signing up for anything. Simply:

- 1) Print this page on A4 paper,
- 2) Then...

...cut out...

...and fold here!

- 3) Keep your handy little card in your purse or wallet, and
- 4) Have it scanned each time you shop at a Drakes Supermarket!

If you'd prefer a more hardy keytag instead, please email SACR at info.sacatrescue@gmail.com with your address and we will pop one out in the post for you!

SACR is a totally not-for-profit organisation. Through a network of foster carers and volunteers we rescue stray, abandoned, and unwanted cats, keeping them safe, warm, and loved, until they can find their forever homes.

We rely on the support of our supporters, adoption fees and donations to continue our life saving work.

When you use your Drakes Community Dollars card or keytag, you help contribute to our fundraising. Help us achieve more by sharing this page with your friends and family. Thanks for your support!
